Remarks：

1. Students must complete the courses (including general courses) for at least 128 credits, including university core courses for 30 credits, college core courses for 5 credits, department core courses for 43 credits, complete one professional program in their own department and one specialty program (or interdisciplinary program) from other department or get a second specialty program for graduation. If there is a shortage, <u>students can freely elect the courses other than general courses to make up the deficiency.</u>
